Hi Adam.

Finally got all of the hard copies back, so I'm putting them and the CD out in the mail to you today. You should be getting an official notification through our FOIAonline System, but just wanted to give you the head's up.

Any questions, please let me know.

Thanks,

Elizabeth

Hi Elizabeth. Thank you again for helping to set up the file review. Harry and I were able to get through everything that we needed. Please let me know what the next steps are in terms of getting copies of the documents that we flagged, and paying for any related charges. Thanks.

Regards,

Adam

Thanks, Adam! Unfortunately, I forgot that I'm in an all-day training tomorrow, so I won't be there to meet you tomorrow. However, I will get a few breaks so if you need to reach me for some reason please email or call me and I'll get the message when I'm on break. I passed along your list below to our staff to be burned onto a CD but I requested that they hold off on that until after your review tomorrow in case there end up being other documents we have available electronically that you decide you want. Good luck

with your review!
Elizabeth

Hi Elizabeth. My Tracking # is EPA-R2-2013-001400. I assume that is the number that you need, but let me know if not. Thanks.

Adam

Hi Adam.

I will work with the records center to get them to burn a CD of the below documents. Did you have your FOIA request #? I know sometimes these things take a little time to work their way to me, but I haven't yet been assigned this FOIA. If you could send me your FOIA request # that would be great.

Thanks and see you tomorrow,
Elizabeth

Hi Adam.

If you could send me a little more information, I can begin working on that for you. First, can you narrow down which records you are intending to look at and how many people you'll be bringing with you? Also, how many day(s) do you think you'll need? This info will help our staff better prepare. As Harry knows, the documents in our files are very extensive, so we can't just pull them all out for you to review. Also, if you could pass along some dates that would work for you then I can work with our staff to see if they availability then.

Thanks,
Elizabeth

Elizabeth:

I work with Harry Clayton at Gibbons. I was actually the individual who submitted the FOIA request to which you responded last week. I have reviewed the spreadsheet and Site File inventory list that you sent, and I thank you

for your assistance. Can you please tell me when I can arrange to come in and review the relevant documents? We are hoping to do this as soon as possible, as the effects of Hurricane Sandy have caused many delays already. Please let me know if I can assist in expediting this matter in any way. I appreciate any information that you can provide. Thank you.
